

Cinder

Our Philosophy

The ever-changing Cinder menu celebrates local, seasonal and 'best of the day' produce. The meat agers are always stocked with classic cuts such as Rib Eye and New York Strip, as well as innovative specials such as locally caught fish and poultry, allowing you to take a journey through complex flavours and indulgent pairings.

Nestled within the bluestone walls of the 150-year-old Terminus in North Fitzroy, Cinder by award winning, 2023 AHA Chef of the Year, Jake Furst is a celebration of cooking with flame and fire.

Rich hues of teal and burnt orange beautifully offset exposed bluestone, in a space that combines casual fine dining with the warmth of traditional hospitality. At the heart of the kitchen lies the mighty wood-fired Josper Grill, delivering the unmistakable qualities of cooking over fire to a modern Australian menu.
